RACE 1 : Hollywoodbets KENILWORTH WELCOMES YOU WORK RIDERS' MAIDEN PLATE : 1000m : Ref 133
Starter: Mr F Bosman Loading time: 56 sec Runners: 7

Carded time:	12h37
Rescheduled time:	-
Off time:	12h37.36
Provisional result:	12h40.51
All Clear:	12h46.03

THE STARTER REPORTED:

a) SHESHELEZA was restless in the stalls.
b) LAVENDER BLUE was restless in the stalls and refused to jump.
c) SIERRA NEVADA was slow into stride.

THE STIPENDIARY STEWARDS REPORTED: (NS)

a) All horses selected for TCO2 were within the required levels and no retests were recorded. (12h04)
b) The Stewards reviewed the start with regard to LAVENDER BLUE in stall gate 2 and established that this filly had become restless in the stalls, turned its head to one side and refused to jump. The Stewards were satisfied that this filly had not been impeded in any way and took no further action.
In view of the report from the Starter regarding LAVENDER BLUE, this filly's starting stall certificate has been withdrawn and she is suspended for 7 days in terms of Rule 61.6.10 and until such time as she proves to be tractable to jump on terms with a companion. (Suspension dates: 08/11/2026 to 14/11/2026, both dates inclusive). LAVENDER BLUE may not be presented for re-passing during this period. Trainer SJ Snaith was advised.
c) The saddle on SIERRA NEVADA slipped back in running, placing Work Rider X Tshayisa at a disadvantage.
d) Work Rider L Coleman was questioned with regard to his riding of WORKINGCLASSHERO in the middle stages of this race. He told the Stewards that after beginning smartly, this gelding had been unable to keep pace with the field between the 700m and 400m. As he was of the opinion that the early pace had been quick, he felt that the leaders would tire in the concluding stages and he would be able to make up the ground. He further told the Stewards that this gelding had not responded as quickly as he had anticipated. As such, his mount was unable to make up sufficient ground to catch the winner. While the Stewards accepted that Work Rider L Coleman had ridden with sufficient vigour and determination from the 400m, he was advised that he should make more effort to keep his mounts in contention in future.
e) When questioned regarding the improved performance of SIERRA NEVADA compared to this gelding's debut run on 16/06/2026, Trainer SJ Snaith told the Stewards that, after a disappointing run on that day, in which SIERRA NEVADA had choked up, he had gelded this horse and fitted a tongue tie for today's race. In his opinion, this had accounted for the improved performance.
f) SIERRA NEVADA, the winner, was selected for the taking of specimens for analysis. Trainer SJ Snaith was advised. (TJ)

JOCKEY CHANGES/OTHER:

a) Nil.

THE VETERINARIAN HAD NO REPORTS.

THERE WERE NO SCRATCHINGS.
